from the 6th to the 8th of May 2015

Preliminary programme

Hands-on course for Oral and Maxillofacial Surgeons and Orthodontists

Department of Oral and Maxillofacial Surgery
Aarhus University Hospital, NBG
Nørrebrogade 44, Building 9D
DK • 8000 Aarhus C

ORTHOGNATHIC SURGERY

from the 6th to the 8th of May 2015

Hands-on course for Oral and Maxillofacial Surgeons and Orthodontists

The aim of this three-day course is to demonstrate the importance of a close collaboration and understanding between the oral and maxillofacial surgeon and the orthodontist in the matter of diagnosis, treatment planning and performance of treatment of patients with growth abnormalities.

The maximum number of participants is limited to 12 persons to ensure optimal conditions for dialogue and demonstrations.

Description

The course includes

- surgical demonstrations (hands-on) on orthognathic surgical patients including conventional orthognathic surgery and distraction osteogenesis (6-7 patients)
- chairside demonstration on patients during different stages of treatment in our in-house orthodontic clinic
- orthodontic surgical planning sessions including virtual planning and model surgery
- visitation of patients referred for orthognathic surgical treatment (3-4 patients each day)
- lectures on selected relevant topics; 2-4 hours each afternoon.

Faculty

Martin Dahl, DDS, Chairman (MD)
John Jensen, DDS, PhD, Ass. Prof., consultant surgeon (JJ)
Thomas Klit Pedersen, DDS, PhD, Professor, Head of Orthodontic Clinic (TKP)
Sven Erik Nørholt, DDS, PhD, Professor, consultant surgeon (SEN)
Jytte Buhl, DDS, consultant surgeon (JBU)
Malene Helleberg, DDS, consultant surgeon (MH)
Morten Godtfredsen Laursen, DDS Orthodontist, (MGL)
Michel Dalstra, engineer (MDa)
