Program

Istanbul, Turkey

April 17th – 18th, 2015

- Scientific Lectures
- Commented Live Surgeries

In Conjunction with

Acibadem Healthcare Group / Fulya Hospital / Istanbul, Turkey

ACIBADEM

International Course

S.O.R.G. ACADEMY

www.sorg-group.com

Course Objectives

This 2-day instructional course is aimed at surgical specialists beginning their career in preprosthetic and preimplant surgery as well as for experienced surgeons wishing to refine their surgical skills and to gain a sound understanding of the current trends in reimplant surgery. The participant will gain a practical insight in the most important state-of-the-art facts in preprosthetic and preimplant surgery. The course will be run by experts in this field and include lunch buffet and coffee breaks.

Commented live surgeries on:

- Harvesting bone grafts from the posterior mandible
- Alveolar ridge augmentation with posterior mandible block grafts
- Vertical alveolar distraction
- Bilateral sinus floor elevation with iliac crest bone grafts
- Harvesting bone grafts from the anterior and posterior iliac crest
- Mandibular augmentation with iliac crest bone grafts

ACIBADEM

Acibadem Fulya Hospital

Acibadem Fulya Hospital, located in one of “the most central “quarters of Istanbul, offers easy access within the city. Providing healthcare in all branches of medicine, Acibadem Fulya Hospital operates with a patient oriented approach in all areas from its building to its diversity of services. Thanks to its modern design, it also offers physical conditions that will provide psychological support for patients throughout their recovery period. It has an architecture that minimizes the need for outpatients or hospitalized patients to move unnecessarily among departments.

Acibadem Fulya Hospital offers services which make a difference particularly in the areas of sports medicine, orthopedics, physical therapy and traumatology. With these attributes, it is a candidate for becoming the only benchmark organization in Turkey, and one of a mere few in the world and therefore offers an ideal setting to conduct the “2nd S.O.R.G. Preprosthetic Live Surgery Course”.

Cancellation policy

Cancellation by course organizer:

- The course organizer reserves the right to cancel an event due to low enrollment or other circumstances which would make the course non-viable.
- If the organizer cancels a course, registrants will be offered a full refund of registration fees.
- Should circumstances arise that result in postponement of a course, the organizer has the right to either issue a full refund or transfer registration to the same event at the new, future date.

Registration cancellation by participant:

- The deadline to receive a refund for your registration is 21 business days before the course.
- Registration cancellations received prior to the deadline may be eligible to receive a refund less a service fee of € 100.-.
- Cancellations received after the stated deadline will not be eligible for a refund.
- Refunds will not be available for registrants who choose not to attend the course.
- Cancellations will be accepted in writing only and must be received by the stated cancellation deadline. When writing your cancellation please include the details of your credit card or bank details (SWIFT / IBAN).

Preprosthetic Surgery

A solution that dissolves –
for a smile that stays

Based on the SonicWeld Rx® technology, a preformed PDLLA part is fitted to the toothless jaw section to create a pocket that is filled either with the patient's own bone or a bone substitute material. PDLLA pins are used to anchor the formed piece directly in the jaw.
