# Cranial bone grafting and calvarian donor site reconstruction

A photograph of a lush green field filled with numerous small, colorful flowers in shades of red, pink, yellow, and blue. The flowers are scattered throughout the field, which is also filled with tall, green grass. The background shows a slightly hazy, golden-brown field under bright sunlight.

.... busy social program

# Enjoyed my stay in Belgium:

## Bruges

# Belgian coaste.... sea food universe

Ghent....Damme...

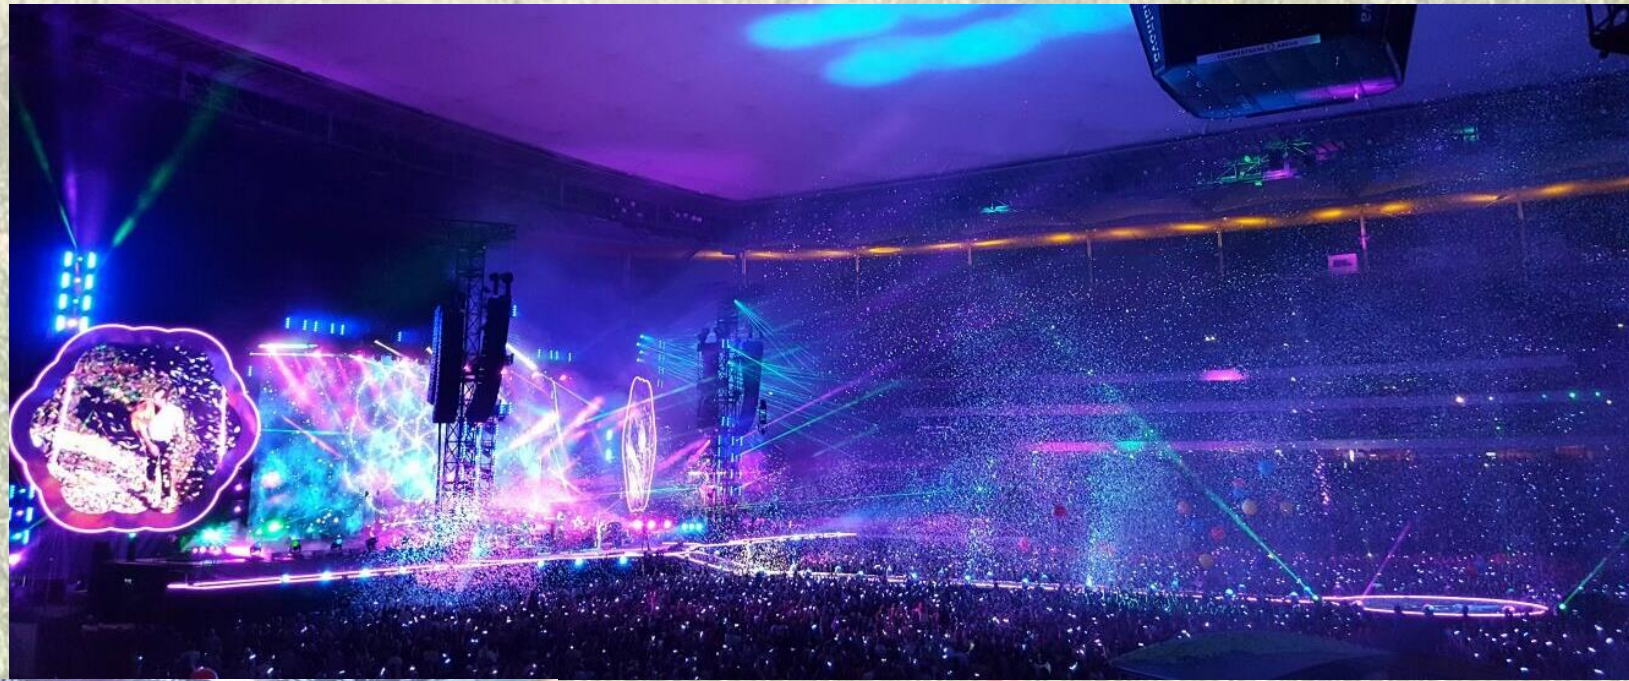

# Neiboring countries.... France with a two days cycling tour along Loire river

Coldplay  
concert

Frankfurt

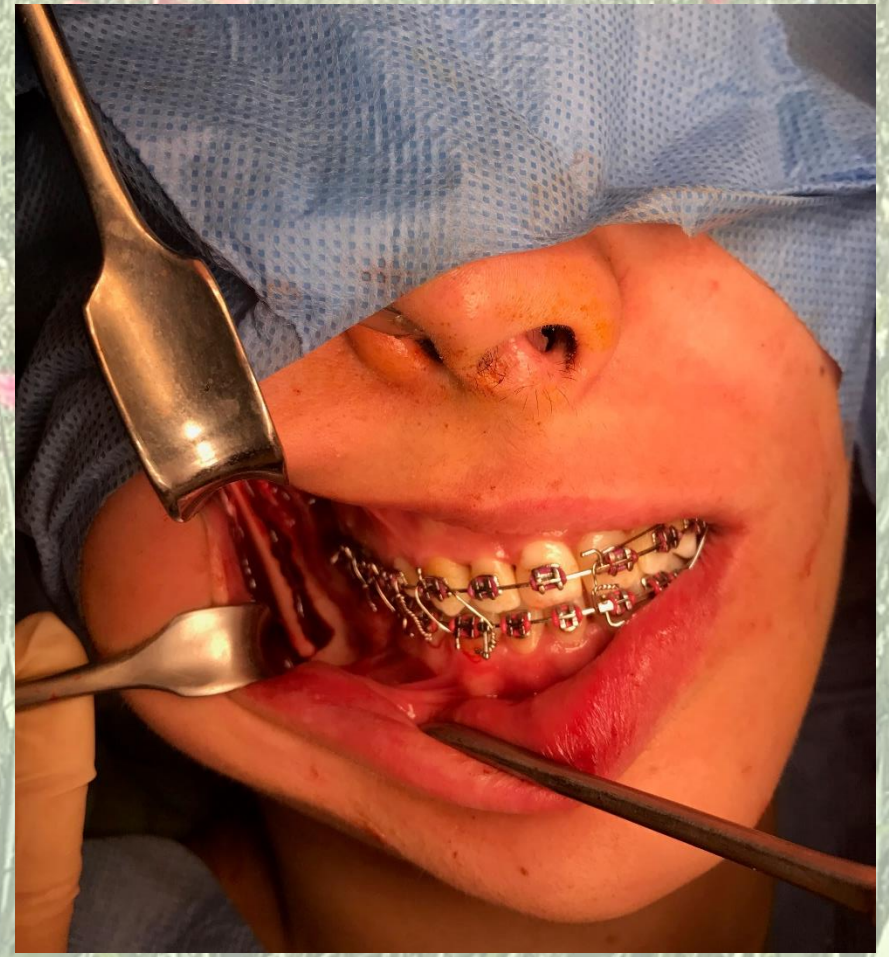

# ...museums and burgers in Netherlands

...back to Bucharest – first orthognatic surgery
