12.00-13.00 Lunch in the exhibition
13.00-13.20 Surgical midface correction in adult cleft patients
Mats Sjöström

- 13.20-13.50 3D planning and patient specific implants in orthognathic surgery
Gwen Swennen
- 13.50-14.10 **Implant surgery in irradiated bone and the osteoporotic patient**
Henning Schliephake
- 14.10-14.30 Panel discussion
- 14.30-15.00 Coffee in the exhibition
- 15.00-16.00 **Interactive workshop on complications, pitfalls and salvage in alveolar reconstruction and implant surgery.**
Jeroen Fennis, Selcuk Basa, Stefan Lundgren

Faculty

Professor Selcuk Basa

Department of Oral and Maxillofacial Surgery, Acibadem University, Istanbul, Turkey

Dr. Giovanni Cricchio

Department of Oral and Maxillofacial Surgery Umeå University, Umeå and In Private Practice, Palermo, Italy

Dr. Jeroen Fennis

Rijnstate Hospital, Department of Oral and Maxillofacial Surgery, Arnhem, The Netherlands

Professor Johannes Hidding

Johanniter GmbH- Evangelisches-Krankenhaus Bethesda Mönchengladbach Bethesda Krankenhaus ,Klinik für Mund-,Kiefer-und Gesichtschirurgie, Mönchengladbach, Germany

Dr. Sofia Lundgren

Department of Oral and Maxillofacial Surgery, Umeå University, Sweden

Professor Stefan Lundgren

Department of Oral and Maxillofacial Surgery, Umeå University, Umeå, Sweden

Professor Gerry Raghoobar

Department of Oral and Maxillofacial Surgery, University Medical Center Groningen, University of Groningen, Groningen, The Netherlands

Professor Henning Schliephake

Georg-Augusta-Universität, Klinik und Poliklinik für Mund-, Kiefer-und Gesichtschirurgie, Göttingen, Germany

Dr Mats Sjöström

Department of Oral and Maxillofacial Surgery, Umeå University, Umeå, Sweden

Dr Anthony Summerwill

Westbourne Center, Birmingham, UK

Professor Gwen Swennen

Division of Maxillofacial Surgery, General Hospital St. Jan, Bruges, Belgium

Professor Hendrik Terheyden

Rotes Kreuz Krankenhaus, Klinik für Mund-,Kiefer-und Gesichtschirurgie, Kassel, Germany
