

TERMS AND CONDITIONS

GENERAL TERMS AND CONDITIONS OF AESCULAP ACADEMIA, UK

1. REGISTRATION

Please complete and return the registration form, ensuring that all payment details have been completed. Payment must be received no later than 4 weeks prior to the course. If payment is not received we reserve the right to allocate your place to another delegate.

2. CANCELLATION BY THE DELEGATE

A full refund will be given for all events cancelled no later than 4 weeks prior to the event date. After this time and up to 14 days before the date of the event, we will offer to offset the value of the event against another Academia event, or for refunds an administration charge of 10% of the event fee will be made. For cancellations that are made between 14 and 7 days before the date of the event we reserve the right to charge half the participation fee. The full participation fee will be payable for cancellation after this period and for non-attendance.

3. EVENT CONTENT

We reserve the right to change the event content, the venue or location and/or the faculty at any time. However, we make every effort to ensure that all events run as advertised.

4. CANCELLATION OF THE EVENT

We reserve the right to cancel/reschedule the event, at any time. Cancellation notices will be sent to the email address or number given on the registration form and receipt will be assumed unless evidence of non delivery is received. A full refund of event registration fees (only) will be made to participants who are unable to attend on the rescheduled date. Aesculap Academia will not accept liability for any other loss, damage, costs or expenses incurred by the Delegate as a result of the cancellation/rescheduling of the event, including without limitation: professional fees or other earnings and costs.

5. DATA PROTECTION

With your registration you confirm to your personal information being recorded for the purpose of event administration and to receive information on future events from Aesculap Academia.

If you wish to be removed from our database please send an email to: academia.bbmuk@bbraun.com.

6. HEALTH CONCERNS

Please inform us if you have any existing health conditions or dietary requirements we should be aware of.

Please return completed form to (please use block capitals):
FREEPOST AESCULAP ACADEMIA EDUCATION

The Aesculap Academy is one of the leading medical forums for everyone who is professionally, passionately and ambitiously committed to people's health. To those medical professionals we offer top quality knowledge transfer based on globally recognised quality criteria using innovative methods and technologies.

DIALOG – DEDICATED TO LIFE.

The Aesculap Academy has its roots in the company B. Braun, which has been protecting and improving people's health for more than 175 years. With our courses, hands-on trainings and symposia we help to honour our parent company's promise of SHARING EXPERTISE.

The courses at the Aesculap Academy offer participants who want to continue to learn in an inspiring environment knowledge transfer and teaching that are adapted to real life: lifelong learning, true-to-life training situations and realistic content for a better life for patients and medical staff.

SCIENTIFIC DIALOG

INNOVATIONS IN HEAD AND NECK CANCER

Friday 5th October 2018

The Royal Society of Medicine, London

CPD
to be
approved

INTRODUCTION

Head and neck cancer is complex. Advances in science and technology now aid our ability to diagnose and treat these diseases.

In this meeting we will explore innovations that are at the cutting edge of our practice and discuss directions for the future.

Consultants, senior trainees and AHPs with a major interest in head and neck cancer are particularly welcome.

Prof Paul O'Flynn,
Consultant ENT/Head and Neck Surgeon

AIMS AND OBJECTIVES

- In this one day meeting we will explore the state of the art in diagnostics and treatment of head and neck cancer. This will include new technology, including robots.
- The conference will be of interest to senior trainees and consultants working with head and neck cancer patients.
- Places will be limited to 100 delegates.

PROVISIONAL TOPICS

- New diagnostic techniques
- Genetics of tumours and possible new treatment approaches
- Oral cancer app
- Sentinel node biopsy
- Flexible robots in the head and neck
- Panel discussions of challenging cases

VENUE

The Royal Society of Medicine
1 Wimpole Street
London
W1G 0AE
