- Meet The Experts -

The Modern Management of Temporomandibular Disorders

Madrid, Spain

February 28th, 2020

Declared of scientific interest by:

International Faculty

International S.O.R.G. Course

- Meet The Experts -

The Modern Management of Temporomandibular Disorders

Course Chairman

Florencio Monje
Badajoz, Spain

Faculty

- Raúl González-García**, Badajoz, Spain
- Andrew Sidebottom**, Nottingham, UK
- Nadeem Saeed**, Oxford, UK
- Gerhard Undt**, Vienna, Austria
- Florencio Monje**, Badajoz, Spain
- José L. Del Castillo**, Madrid, Spain
- José M. López-Arcas**, Madrid, Spain
- Antonio Romero**, Valencia, Spain

Who should attend

This meeting should be of interest to all professionals involved in the initial assessment or management of temporomandibular disorders including consultants and trainees in oral and maxillofacial surgery or oral surgery and general dental or medical practitioners.

Course Aim

The course will focus on the basic principles of assessment and management of temporomandibular disorders including updates on the management of myofascial pain and internal derangement. Indications for surgery will be highlighted and active interaction encouraged with panel questioning on basic management techniques and areas of controversy.

Program

Friday, February 28th, 2020

08:30 – 08:50	Registration	
08:50 – 09:00	Welcome	<i>Monje</i>
Session 1: Overview of TMJ and TMD		
09:00 – 09:20	Anatomy and physiology of TMJ	<i>González-García</i>
09:20 – 09:40	Radiology of TMJ	<i>López-Arcas</i>
09:40 – 10:00	Overview of TMJ disorders	<i>Saeed</i>
