

Oxford Update on Rare Diseases of Head & Neck

Venue - Oxford Martin School, OX1 3BD

Date - 24th April 2020

9-30am - 5-00pm

Objectives

Conditions that affect less than 1 in 2000 people is considered as rare disease. Many head & neck pathologies do fall in this category and this study day is aimed at presenting evidence, advances and controversies. We are also promoting the Rare and Unknown Disease study (RUDY) to develop a database of Head & Neck related rare diseases.
