13.50-14.00 Questions and answers, discussion

14.00-14.20 Speaker and topic are specified

14.20-17.15 Session AESTHETIC SURGERY OF THE “CENTRAL FACE OVAL” Part 2.

Moderators: *I.E. Khrustaleva, D.G. Agapov*

14.20-14.40 Prophyloplasty of an aging and young face. To each his own? *D.G. Agapov*

14.40-15.00 Cheiloplasty in complex facial rejuvenation. *I.S. Kochneva, M.G. Levitskaya*

15.00-15.20 Lipofilling as a supplement or main component in complex facial rejuvenation. *M.G. Levitskaya, I.S. Kochneva*

15.20-15.40 Operation “Bull-horn” - simple and beautiful? *D.G. Agapov*

15.40-16.00 Mid face rejuvenation - from under to over periosteum plane *K. Stan*

16.00-16.20 Report subject to be announced

17.00-17.15 Questions and answers, discussion

17.15-17.30 Break

17.30-20.00 Session AESTHETIC SURGERY OF LATERAL FACE. AESTHETIC SURGERY OF THE NECK.

Moderators:

17.30-17.50 The subject of the report is being specified. *S.P. Shvyrev*

17.50-18.10 Features of lifting the Asian face. *I.K. Kachkinbaev*

18.19-18.30 Sub-plat maneuvers: how justified are they? *D.G. Agapov*

18.30-18.50 The subject of the report is being specified. *A.L. Ishchenko*

18.50-19.10 Minimal invasive vertical anchor lift - MIVAL with elastic and rigid suspension sutures. *K. Stan*

19.19-19.30 Minilifting: correction of jaw line and Jowl in 40 minutes. Personal experience. *G. Muti*

19.30-19.50 The topic of the report is being specified. *K.U. Kudzaev*

19.50-20.10 Modern realities of anti-aging facial surgery: work in a minefield. *K.E. Avdoshenko*

19.50-20.00 Questions and answers, discussion

JUNE 27, 2020

HALL no. 1

BREAST AESTHETIC SURGERY

Moderator: A.M. Borovikov

9.00-10.00 Session MAMMOPLASTIC: ACHIEVEMENTS AND FIASCO. Session of clinical cases.

Moderators: A.N. Kondulukov, A.P. Drevetsky

10.00-10.15 Break

10.15-12.15 Video session: MAMMOPLASTIC: LIFE HACKS FROM THE OPERATING

Moderator: G.M. Sarukhanov

12.15-12.30 Break

12.30-18.00 Session AESTHETIC MAMMOPLASTY. EXPERTS ARE NEAR YOU.

Moderators: A.M. Borovikov, G.M. Sarukhanov, V.V. Arbatov

12.30 - 13.30 Key lecture. The second silicone war. Shell. What have I changed in my practice. Konstantin Stan

13.30-14.00 Difficult augmentation. *Gilis Ya.*

14.00-14.40 Tips and tricks in breast aesthetic reshaping - what is working. *Constantin Stan.*

14.40-15.00 Topic of the report is being specified

15.00-15.30 L-mammoplasty and breast implant: how manage them together. *Gabriele F. Muti*

15.30-15.50 Tuberos breast - how to mix breast implants, internal tissues manipulation and fat injection. *Constantin Stan.*

15.50-16.00 *Questions and answers, discussion*

16.00-16.15 Break

16.15-18.15 SESSION AESTHETIC MAMMOPLASTY. COLLEAGUES ARE MUCH ABLE.

Moderators: S.G. Shapovalov, K.A. Protasov

15.15-16.30 Capsule in revision mammoplasty. *A. Borovikova*

16.30-16.45 Tubular breast: my difficulties in achieving an aesthetic result
R. Azimova

16.45-17.00 Management of the implant. *A. Borovikova*

17.00-17.20 Clinical experience with the use of lipofilling to correct the shape and volume of the mammary glands in combined and isolated operations. *M.G. Levitskaya, I.S. Kochneva.*

17.20-17.40 Enhancing mammoplasty: 25 years of experience. *A.P. Drevetsky*

17.40-18.00 Theme of the report is specified. *G.M. Sarukhanov*

18.00-18.20 Concept and predicts when planning augmentation mammoplasty using endoprosthesis and local plastic surgery. *S.G. Shapovalov*

18.20-18.40 Report subject to be announced

18.40-18.50 *Questions and answers, discussion*

18.50-19.00 Break

19.00-20.00 Panel discussion: TRANSAXILLARY ACCESS IN BREAST AUGMENTATION

Moderator: A.M. Borovikov

Panelists: A.Kh. Ismagilov, A.P. Drevetsky, K.A. Protasov

HALL no. 2

9.00-11.30 session AESTHETIC SURGERY OF THE TRUNK AND LIMBS

Moderator: I.G. Marinicheva

Full body contouring – a new trend or necessity. *M.G. Levitskaya, I.S. Kochneva*

11.30-11.40 Break

11.40-13.30 Session AESTHETIC PLASTIC SURGERY AND COSMETOLOGY IN BARIATRIC PATIENTS

Moderator: D.I. Vasilevsky

11.40-12.00 Modern ideas about conservative methods of treatment of overweight and their effectiveness. When can we expect success? *A.R. Volkova*
