PRECISION IN FIXATION

Dear Colleagues,

The EBOMFS exam will take place over the weekend of 14th and 15th September 2024 in Rome before our biennial Congress of EACMFS. Only surgeons who have completed training and are specialists in their own nation can sit the EBOMFS.

All pre-specialist trainees, and specialists wishing to practice before sitting the EBOMFS, are invited to improve their knowledge in OMFS using the **Pre Specialization MCQ Assessment**. This is a liaison project between EACMFS and OMFS Section/Board of UEMS. The first assessment in September 2022 was used by almost 200 colleagues across the world.

On completing this 50 question Single Best Answer (SBA) formative assessment, participants receive their score and can review their responses and compare them to the correct answers. Five questions (10%) were previously used in the EBOMFS exam EBOMFS candidates of the level.

The exam covers the complete curriculum of OMFS, runs online and takes 90 minutes. The European Association of Cranio-Maxillo-Facial Surgeons is grateful to Medartis for supporting this project with an unconditional grant.

The 2023 edition of the **Pre Specialization MCQ Assessment** will take place online on Thursday, 7th September 8 p.m. – 9.30 p.m. CET and on Sunday, 10th September 10 a.m. – 11.30 a.m. CET for our colleagues from Asia and Oceania.

The exam will use the same online resource as before <https://omfsexam.examfolio.com/> provided by Ektimo. Users who registered last year, do not need to re-register and can use the same log-in as 2022. New users should register their details on the website. Exam details will be sent to all those who register.

With kind regards,

Manlio Galie
President EACMFS

Patrick Magennis
President UEMS OMFS Section

Blaise Kovacs
President UEMS OMFS Board

Satheesh Prabhu
Secretary EACMFS
