Prof Kamil Nelke  
Dr Przemyslaw Skubich

**EACMFS Principal Course**

**In Cooperation with**

## Day 1 – Thursday, June 5, 2025

Time	Title	Speaker
08:00 – 08:30	Registration	
08:30 – 08:40	Welcome	Zygmunt Stopa Christos Perisanidis
08:40 – 09:10	Bone healing and principles of wound care: Biomechanical principles of plating Bone healing and principles of fracture care – internal and external fixation (pros and cons)	Titiaan Dormaar
09:10 – 9:40	How good radiological and clinical examination in atypical trauma situations can influence on patient outcomes	Kamil Nelke
9:40 – 10:15	Mandibular body fractures	Titiaan Dormaar
10:15 – 10: 45	Mandibular condylar fractures	Marcin Kozakiewicz
10:45 – 11:00	Coffee break	
11:00 – 11:20	Endoscopically assisted fracture treatment	Zygmunt Stopa
11:20 – 11:50	Fractures of the atrophic mandible	Ash Gulati
11:50 – 12:20	Comminuted fractures of the mandible	Titiaan Dormaar
12:20 – 12:30	Q&A	
12:30 – 13:15	Lunch break	
13:15 – 14.00	Midface fractures management – part 1	Simon Holmes
14:00 – 14:45	Midface fractures management – part 2	Ash Gulati
14:45 – 15:15	Personal experience in CMF traumatology	Marek Karaś
15:15 – 16:00	Free papers – Residents’ session (7 min. each)	

## Day 2 – Friday, June 6, 2025

Time	Title	Speaker
08:30 – 09:00	Orbital wall fractures	Majeed Rana
09:00 – 9:30	Management of frontal sinus fractures	Christos Perisanidis
9:30 – 10:15	Panfacial fractures	Jakub Bargiel
10:15 – 10:30	Coffee break	
10:30 – 11:00	Management of facial fractures in children	Simon Holmes
11:00 – 11:45	3D Models in trauma management	Titiaan Dormaar
11:45 – 12:15	Skull base and cranial vault trauma	Simon Holmes
12:15 – 12:30	Q&A	
12:30 – 13:15	Lunch break	
13:15 – 14:00	Gunshot injuries	Simon Holmes
14:00 – 15:00	Presentation, surgery planning and discussion of cases for cadaver course - 6 teams. Each presentation 10 minutes	
15:00 – 15:15	Certificates	Christos Perisanidis

## Day 3 – Saturday, June 7, 2025

Time	Dissection Course	Faculty
09:00 – 16:00	Hands on Workshop on Human Specimens: Management of Cranio-Maxillofacial Fractures  Endoscopically assisted treatment of mandibular condylar fractures	Zygmunt Stopa Christos Perisanidis Titiaan Dormaar Simon Holmes Aakshay Gulati Majeed Rana Marek Karaś Jakub Bargiel Kamil Nelke Przemysław Skubich Cezary Piasta

### Hands-on workshop on pre-fractured human specimens

Participants will work in pairs on preoperative planning based on radiologic findings (CT-Scans), followed by case discussion and surgical treatment. Each group will have assistant and supervisor. Few days after surgery check-up CT scan will be performed. During online meeting one week after course results will be discussed.

### An EACMFS Principal Course

The completion of three EACMFS Principal Courses will lead to the awarding of the "EACMFS Postgraduate Training Certificate in Cranio-Maxillofacial Surgery".

### An EACMFS Rolling Programme Course

A refund of Euro 300 is available annually for each EACMFS Trainee Member attending a course included in the EACMFS Rolling Programme.
