Summary, discussion and reflective evaluation of the course.

- The course is certified by the General Medical Council
- Friday evening: Sightseeing Walking Tour in the center of Berlin and dinner in a traditional "Berlin Wirtshaus" (included in course fee).
- Textbook „Raising of Microvascular Flaps, 4th Ed.“ by K.-D. Wolff & F. Hölzle available on the course.
- From the team that delivered over 90 stepwise flap raising courses to an international community of more than 1500 surgeons from 64 countries

Course description

We compare and contrast the gold standard free flap (radial forearm flap) with advanced flaps new and old including the most common perforator flaps. This is for those who have started their microvascular journey.
